

FOR IMMEDIATE RELEASE

Local Aggie author releases new book!

The novel is described as a modern reality mixed with folklore and irresistible romance.

College Station, TX – June 13, 2017 – *Scythe of Darkness*, a young-adult urban fantasy novel released on Tuesday. That same day, the book skyrocketed to Amazon’s Top 30 Best Selling category for Myths and Legends—Greek and Roman.

Dawn Husted, a born and raised Aggie, graduated from Texas A&M University in 2006. *Scythe of Darkness* is a stand-alone novel with action that takes place in Gaige, TX, a fake town that resembles College Station.

The novel is written for late teens. But fellow author, CB Stagg, commented: “The book’s insightful characters and well-constructed plot structure makes it an enjoyable read for adults as well.”

Teenager, Mia Hieskety, is thrust into a sinister world, discovering a truth that she never expected. When a supernatural connection puts Mia's life at risk, she doesn't know who to trust. But what if she’s in love with the one boy she can’t trust?

Scythe of Darkness received four and five stars on Amazon and Goodreads.

One review said: “The paranormal connection between the main characters, as well as the not so predictable plot, was quite intriguing and kept me hooked until the very end!”

The book was officially launched on Tuesday. Dawn said, “With all the excitement, I couldn’t sleep and woke up early to spread the word with family and friends. With much love and support, they shared the news too. I couldn’t have hoped for a better launch, and can’t wait to finish my next book!”
